Dear Principal,

My wife and I were delighted to meet and number of students from your junior high school when we were in Tokyo during November this year (2019). They work extremely Pleasant and courteous with good English and generally understood everything we said to them despite our internationalised Australian accents.

We enjoyed how conversations with them and particularly the information they gave us about Hiroshima. Whilst my wife has not visited your wonderful city, I have been there a few times and on one occasion placed a large wreath on the bombing memorial on be ha If of APEC, the Asia Pacific Economic Cooperation organisation, when I was guest of your national government. It was a very moving experience for me. I enjoyed the warm hospitality of many Japanese people in Hiroshima.

I have thing to Japan many times, travelling widely, and have come to respect and appreciate your wonderful culture. Your students are excellent examples of the very best of Japan and we wish them good fortune and every success in the future careers/ lives.

In particular, we would like to mention Yudai, Himenka and Takumi, but also their classmates who accompany them and spoke with us. I will send you two photos. They are a tribute also to the teachers in their understanding of English conversation and in their courtesy.

Dear Richard Braddock  
Thank you for your e-mail.  
We were very happy to read it.  
On our school trip, we went to Ueno Park to introduce Hiroshima. We gave many foreigners our cards about Hiroshima. It was a great experience.  
And we went to Asakusa and Tokyo Skytree, too. There were many tourists in Asakusa. We can enjoy seeing the beautiful view from Tokyo Skytree.  
We went to Tokyo Disneyland, too. At night, we saw electrical parade and we felt happy. We all enjoyed our school trip!  
We are making cards to introduce our town, Joge in English classes. Many foreigners come to Joge every year. They enjoy sightseeing in our town.  
If you have a chance to come to Hiroshima, please come to Joge someday.  
We're looking forward to seeing you! :-)

Merry Christmas and all the best in the New Year
